Career Objective:

Motivated Computer Science and Engineering student seeking an opportunity to apply academic knowledge, gain hands-on experience, and develop professional skills while contributing to organizational growth.

Education:

- **B.Tech – Computer Science & Engineering** (Pursuing)
  Dadi Institute of Engineering and Technology | CGPA: 8.53
- **Intermediate (MPC)**
  Sri Chaitanya Junior College | CGPA: 87.5%
- **SSC**
  Bhashyam School | CGPA: 100%

Technical Skills:

- **Programming Languages:** C, Java, Python(Basic)
- **Web Technologies:** HTML , CSS ,Java Script
- **Core Concepts:** Data Structures & Algorithms, Object-Oriented Programming
- **MS Office :** Word, Excel, PowerPoint

Strengths:

Teamwork | Communication Skills | Time Management | Leadership | Quick Learner | Problem Solving

Projects:

- **Vision-Based Parking Occupancy Detection and Prevention Using Deep Learning** **July-2026**
  Outcome: Achieved over 93% detection performance during testing, improving parking monitoring and helping reduce unnecessary parking search time.
- **Automated Fan Control System:** **April-2025**
  Outcome: Achieved a 30% reduction in energy consumption and improved indoor air quality, enhancing user comfort and reducing operational costs.

Publications:

Automated Fan Control System – Published as an abstract in the National Conference on Trends in Computing Technology (NCTCT-2025) ISBN: 978-93-342-4654-4.

Internships:

- Thiranex - Web Development **June-July 2026**
- EduSkills - Prompt Engineering **January-March 2026**
- EduSkills - Google Android Development **January-March 2025**

Certification Courses:

- Oracle - Oracle Cloud Infrastructure Certified AI Foundations Associate **August-2026**
- TCS iON - Yuva AI for All **May-2026**
- Google Cloud - Agentic AI **April-2026**
- NPTEL - Joy of Computing using Python **October-2025**
- Simplilearn - Prompt Engineering **February-2025**
- LinkedIn Learning - IOT **November -2024**
- LinkedIn Learning - Artificial Intelligence **October-2024**
- Simplilearn - Java Programming **October-2024**
- Infosys Springboard - HTML **August-2024**

Workshops:

- APSSDC - Android Application Development. **November-2025**

Languages:

- English ,Telugu ,Hindi

Extra-Curricular Activities:

- ACM Student Chapter member, actively participating in technical & professional development activities.
- Participated in hackathons, coding competitions, and technical workshops.
